// Druckbarer Bereich:

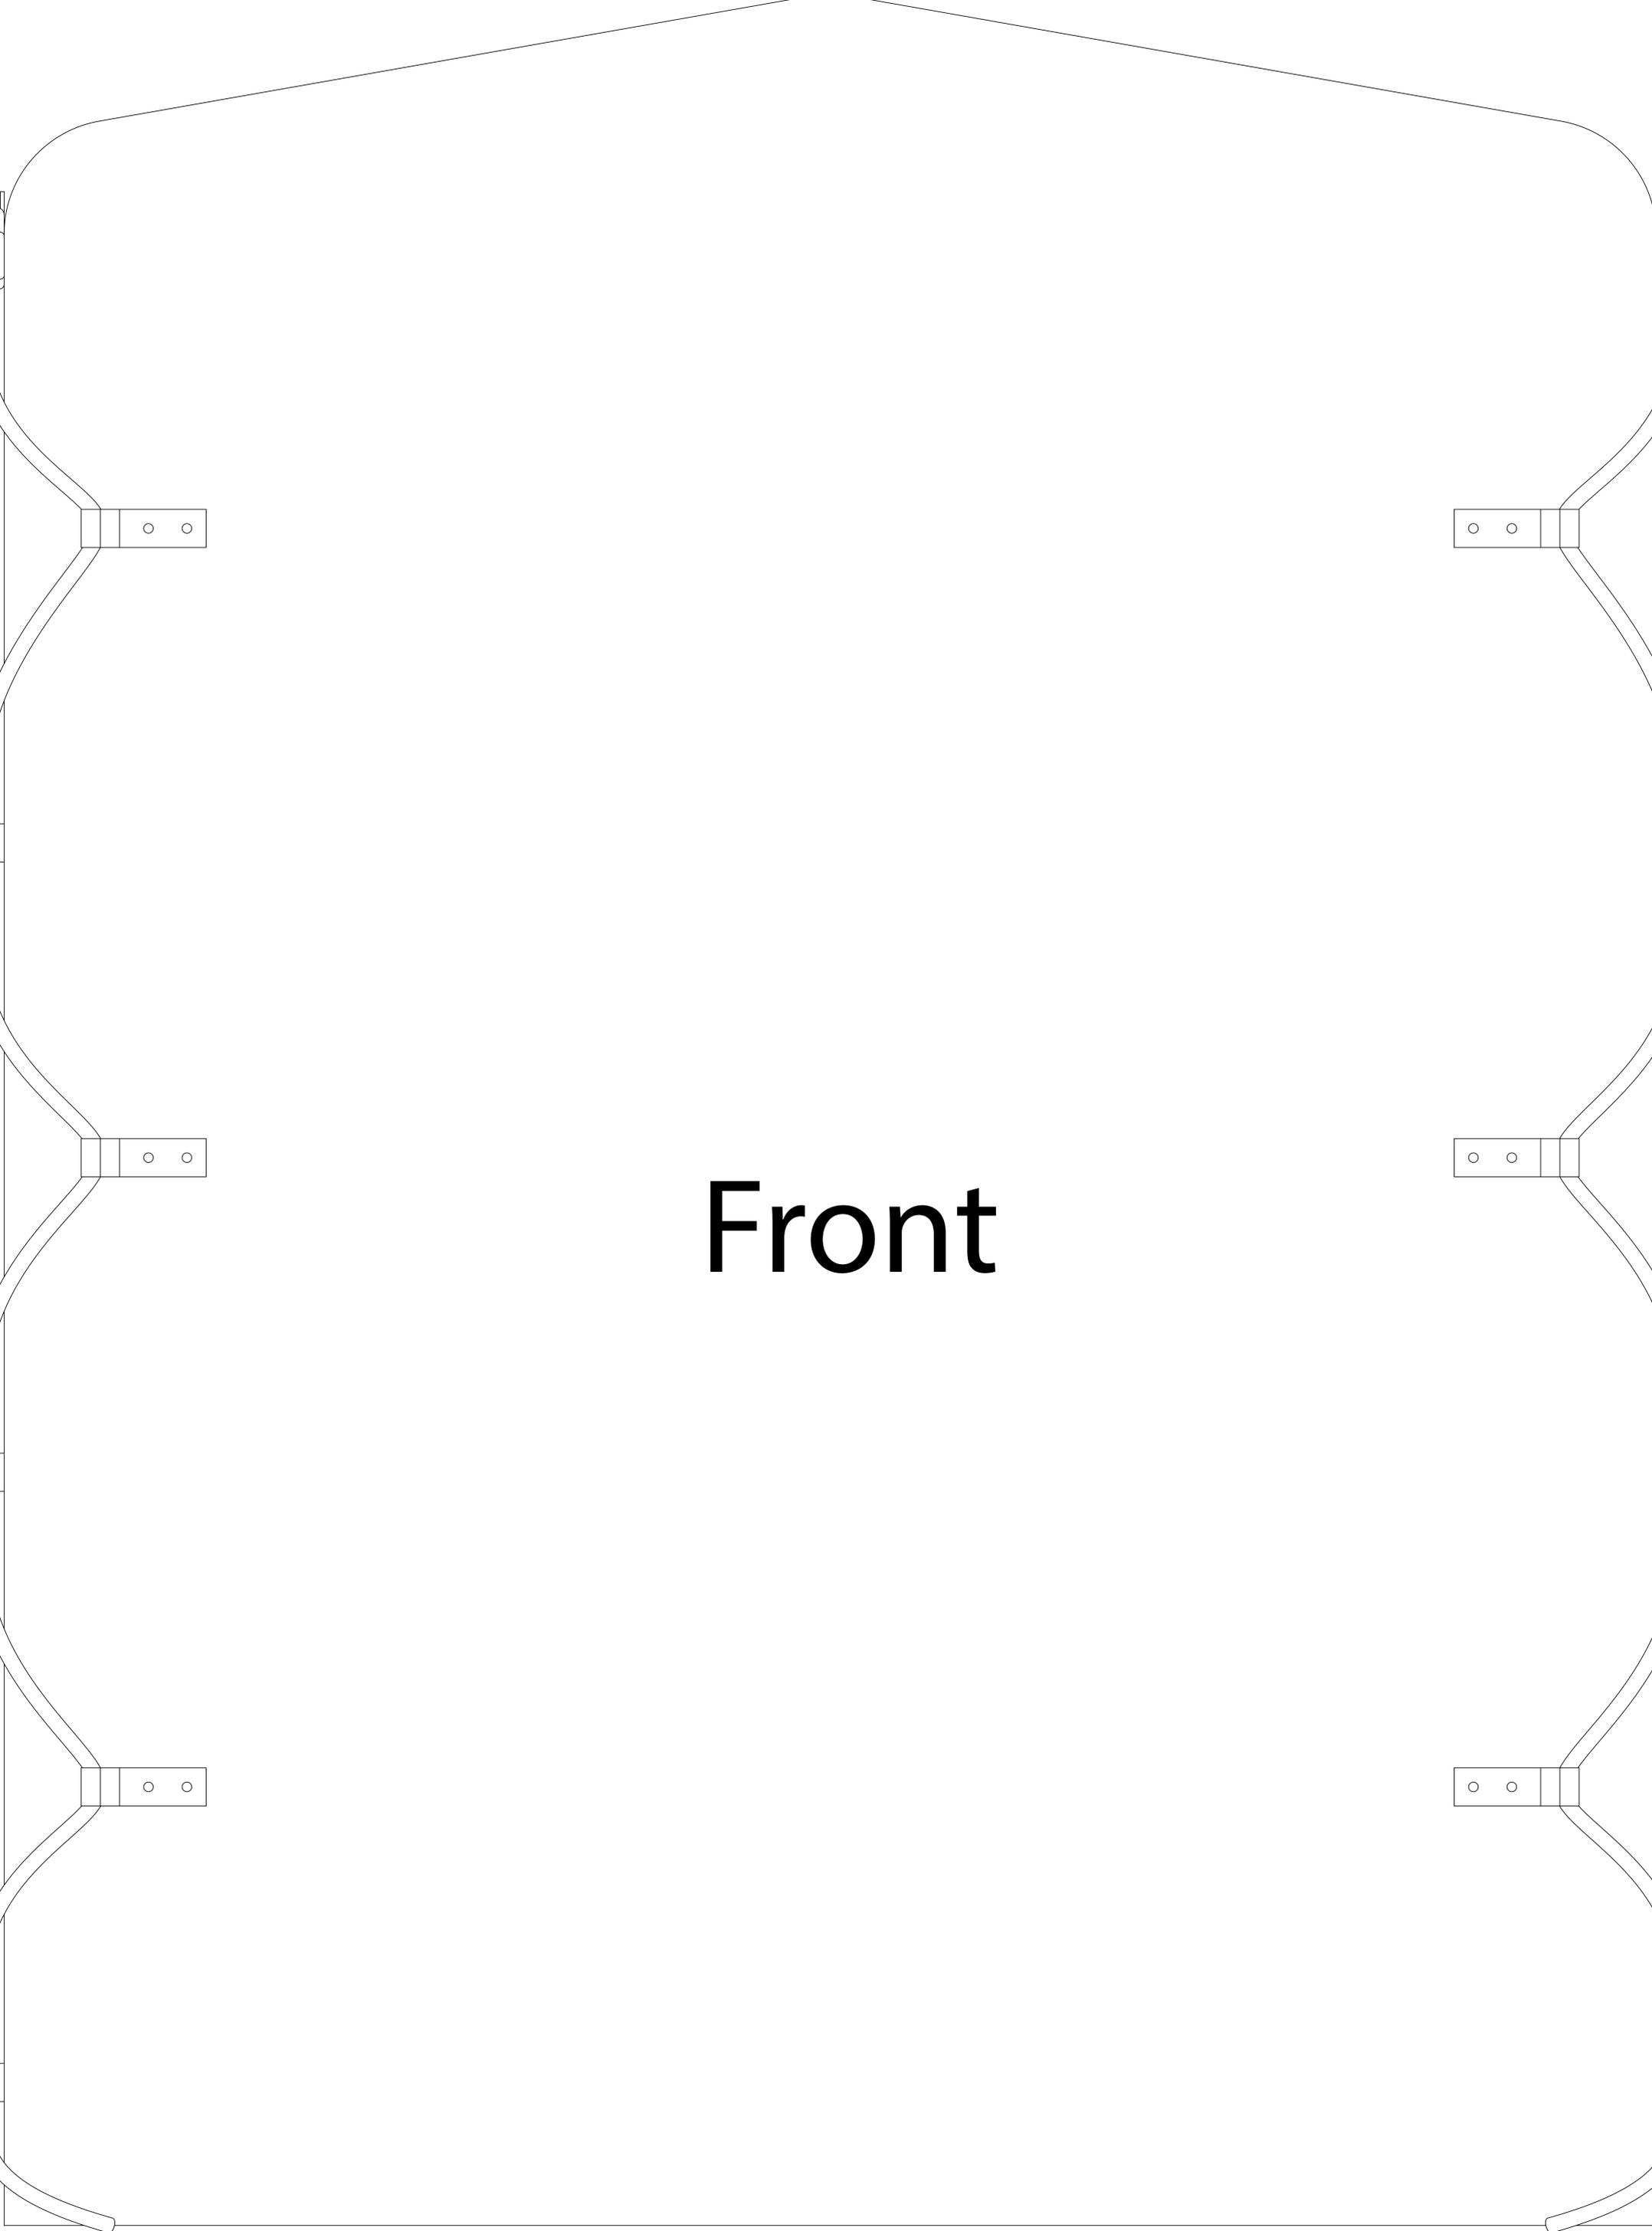

Anforderungen:

- Vektorgrafik (vorzugsweise PDF) mit CMYK-Farben
- Bitte Druckvorlage in den folgenden 5 Seiten nutzen
- Schriftzüge/Fonts vektorisieren
- Position von Bauteilen wie Haken und Expanderseil beachten. Diese Bereiche sind bedruckbar, aber schlechter sichtbar und Abreibungen ausgesetzt. Empfohlen werden dort helle Töne und keine Schriften.

A technical drawing of a circular object, possibly a lid or a base, with four mounting tabs. The drawing is a line drawing with a central text label. The object is circular with a slightly raised rim. There are four mounting tabs, one on each side, each with two small circles representing holes. The word "Heck" is written in the center of the drawing.

Heck

The image shows a technical drawing of a rectangular frame with rounded corners. At each of the four corners, there is a bracket-like component. Each bracket consists of a rectangular base with two small circles, possibly representing screws or mounting points. The frame itself is defined by a single line that follows the outer perimeter of the rounded rectangle. The word "Front" is centered in the middle of the drawing.
